PLACE: MBA SEMINAR HALL.

Guest lecture by,
Mr. M. VENKADESHWARAN
on
"MOTIVATIONAL SPEECH ON CIVIL ENGINEERING"

It is the inaugural week of our association co-ordinated by Prof. Mr. K. Niraikulasekaran. We planned to start off the association with one of our alumini. Mr. Venkadeshwaran, one our alumini and also been a staff for two years in our college, was invited for the meet. Also he was the Ex secretary of our Association during his 2011-2012. Hence it doesn't made any hesitation to invite him to the meet. He is currently doing his post graduation degree in Alagappa Chettiyar College of Engineering and technology. He joined his PG by clearing GATE examination. On this session he shared his valuable thoughts, memories & information to us which was completely related to our civil engineering field, his speech was completely motivate & its uses to further improvements for us to face competitive examinations.
