MEMORANDUM OF UNDERSTANDING

BETWEEN  
MOHAMED SATHAK ENGINEERING COLLEGE, KILAKARAI  
AND  
M/S. JETWINGS TECHNOLOGIES, KARNATAKA, INDIA.

**PREAMBLE**

Interaction between institute and technical interactions will provide immense mutual benefit and also satisfy societal relevance. Realizing this objective, this college and the organization named above, have signed this MOU in order to achieve the desired results

Mohamed Sathak Engineering College (MSEC) was established in Kilakarai in 1984. It is worth to note that MSEC was the very first Self – Financing Engineering College established in the state of Tamilnadu.

We introduce Jetwings technologies as a Bangalore based organization recognized by MSME Karnataka, certified by ISO 9001:2008 and education & training group member of NAFEMS (UK).

We are happy to train the students technically and give them industry exposure that would help them in entering core industries. We are pleased to offer our labs and provide experts to train analysis software such as ANSYS MECHANICAL APDL, ICM CFD, CFX, FLUENT, XFOIL, AAA etc.. The schedules and the course plans can be disclosed on further discussion

*Vijay*

*M. Mahabhar*

### SCOPE FOR INTERACTION

The proposed interaction will include the following:

- (a) Encouraging and allowing the students of the college to interact with working groups of the industry so as to increase their knowledge level.
- (b) Exposing students to problems encountered in the field.
- (c) Encouraging involvement of students to take up projects of the industry and build up professional confidence & competence.
- (d) Offering state of the art guest lecturers from one side to the other.
- (e) Offering valuable inputs to the college as a feed-back from the industrial sector in respect of latest technological development in the area of interaction.
- (f) Consultation with faculty of the college in respect of R & D and consultancy projects.
- (g) Offering guidance for suitable placement for students.
- (h) Organizing seminars on specific areas of interest of the industry for knowledge sharing.
- (i) Providing for testing / analysis / programming / design facilities at concessional rate, mutually.
- (j) In-Plant Training – 3 days/01 week
- (k) Internship – 15 days/30 days
- (l) Software training programs – CADD/FEA & CFD, Duration 2 weeks/4 weeks/8 weeks
- (m) Project works – B.E/B.TECH, M.E/M.TECH
- (n) On-the-job training programs – Design/Maintenance stream , Duration: 06 months

### DEPARTMENT IN COLLEGE IDENTIFIED FOR INTERACTION

1. Aeronautical

MSME REG No: 290202201672

**TERMS OF AGREEMENT**

- (1) This agreement is valid for a period of five years, and may be extended further on mutual consent.
- (2) The MOU can be terminated with 3 months' notice on either side.
- (3) This agreement is governed by and construed in accordance with Indian Laws.
- (4) The head of department concerned will be the coordinator for the interaction on behalf of the college and the industry will nominate a representative for the aforesaid interaction

**VALIDITY**

This memorandum of understanding will be valid for a period of 05 years.  
This memorandum of understanding valid from 07th july 2014 to 06th july 2019.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein after referred to as MoU) is entered into on this 27<sup>th</sup> of September'17 between Computer Science & Engineering Department., under Mohamed Sathak Engineering college, ECR Kilakarai, Ramanathapuram District, Tamilnadu, India-623806 herein referred to as MSEC, and Cloud Bull, a unit of Corp Data Global herein referred to as Cloud Bull located and registered office at 10/11, Citi Center, Level 6 Dr Radhakrishnan Salai, Mylapore, Chennai, Tamilnadu, India-600004. The scope of the MoU, the roles and responsibilities of the parties of the MoU are given below:

Alliance Objective

This document outlines a strategic understanding between Cloud Bull and Mohamed Sathak Engineering college to work together to offer the Internship Program. The primary aim of this partnership is to aid Mohamed Sathak Engineering college in establishing a high quality people repository in software technologies. This will help Mohamed Sathak Engineering college teach, train, extract tasks from their students on strategic technologies and to position them to support India's Information Technology initiative.

As opposed to a one time implementation, this is a strategic initiative and requires the total commitment of both Cloud Bull and **Mohamed Sathak Engineering college**. The Program initiative would allow **Mohamed Sathak Engineering college** one of the foremost institutions in India in the field of Education, and imparts training, among others in Computer Applications and Information technology faculties, to design world-class curriculum capable of delivering high caliber IT skills required in the fast changing IT marketplace.

**NOW THIS MoU WITNESSETH AS FOLLOWS: DEFINITIONS AS USED IN THIS MoU:**

**"MoU"** means this instrument executed by Cloud Bull and **Mohamed Sathak Engineering college**., and subsequent amendments issued to the **MoU** by mutual consent as provided herein.

**"Program"** means the Training and Internship Program that is the subject of this MoU.

**"Software"** or **"Product"** means the Salesforce.com or Microsoft cloud software packages identified for training and Internship in the Program.

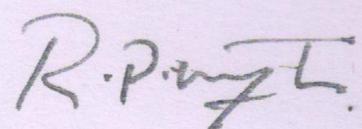

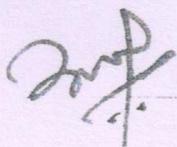

**"Curriculum"** means the Cloud Bull's Course that is integrated with the **Mohamed Sathak Engineering college**'s Academic Projects.

**1. BENEFITS TO THE MOHAMED SATHAK ENGINEERING COLLEGE**

- 1.1 Opportunity to emerge as one of the competent entities in the academic circles in research and development in the area of Information Technology;
- 1.2 Opportunity to be recognized by the industry and academic circles as one of the preferred locations for acquiring training and skills development in latest technology and software
- 1.3 Opportunity to utilize the Program to train students on Salesforce.com or Microsoft Dynamics Software products and technologies.
- 1.4 Opportunity for the students of **Mohamed Sathak Engineering college** to design and develop world class applications capable and required at present and also for the future including Cloud Bull's Clients and Proof of Concepts
- 1.5 Opportunity for students to avail Salesforce.com Admin and Developer Certifications, which is valid across the globe through the On Campus Kryterion Prometric Testing Centre.

**1.2 Benefits to Cloud Bull, Unit of CorpData Global**

- 1.2.1 Creation of a resource pool of Cloud Software professionals to boost the existing skill level in the country and provide manpower resources for the required clients.

- 1.2.2 Reduce Infrastructure and Manpower Cost for developing applications.
- 1.2.3 Availability of skilled students from the Program for projects which would benefit Cloud Bull Customers as well as the Business Partners of Cloud Bull.

## 2. RELATIONSHIP BETWEEN THE PARTIES

- 2.1 Neither **Mohamed Sathak Engineering college** nor Cloud Bull is or will be an agent or legal representative or partner of the other. Neither of them is or shall be responsible for the debts incurred by the other or be bound by any contracts or representations made by the other or any obligations undertaken by the other. Neither of them is or shall be an employee or franchisee of the other, nor does this MoU create a joint venture or any similar relationship between them.
- 2.2 Neither party will make any representations pertaining to the other or its business or affairs, without the express prior written consent and approval of the other.

## 3. Areas of Collaboration

### 3.1 Cloud Bull

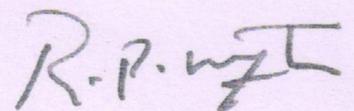

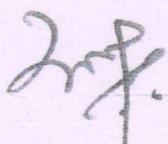

- 3.1.1 Software Development with the help of students from the **Mohamed Sathak Engineering college**
- 3.1.2 Training Curriculum Design as agreed

### 3.2 Institution

- 3.2.1 Utilize the existing, operating & maintaining the infrastructure required for training and developing the applications. No new investments required and shall not be encouraged.
- 3.2.2 Promotion of the Cloud Bull Software Certification Program among the other students (other than interns); The costs for the same to be borne by the student.
- 3.2.3 Making available of faculties, as per mutual convenience, for conducting training on campus on **no payment basis** or customer premises **on payment basis**.
- 3.2.4 Supporting Cloud Bull in conducting fests/competitions or to conduct workshops in symposiums in the college.
- 3.2.5 Maintenance of trained faculty members for training on Cloud SAAS technology.

## 4. MONITORING OF IMPLEMENTATION

A Co-ordination Committee consisting of two faculty members of **Mohamed Sathak Engineering college** and two officers nominated by Cloud Bull will do the planning and monitoring of the implementation of the various aspects of this MoU. There will be an bi annual review. This review would primarily focus on the application development progress, faculty availability training and certification.

## 5. INTELLECTUAL PROPERTY

Title to the intellectual property rights of the software developed/created/designed/furnished of the new innovative ideas by the institution and its students under the guidance of Cloud Bull will at all times remain proprietary to the **Mohamed Sathak Engineering college**, which however, hereby grants to **Mohamed Sathak Engineering college**, non-exclusive, royalty-free license to use the same internally.

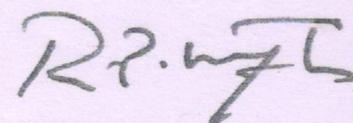

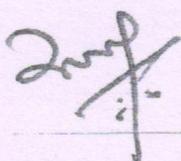

The software's being developed for Cloud Bull and its clients by **Mohamed Sathak Engineering college** through this MoU shall be governed by the applicable license agreements of Cloud Bull and its clients. **Mohamed Sathak Engineering college** unconditionally agrees to comply with such terms and conditions.

## 6. LIMITATION OF LIABILITY

Under no circumstances is Cloud Bull liable for **Mohamed Sathak Engineering college**'s loss of, or damage, to records or data, as also claims for special, incidental, or indirect damages or for any economic consequential damages (including loss of profit or savings) even if Cloud Bull is informed of its possibility.

## 7. GENERAL

1. This MoU may be terminated by either party through a notice of one month. Either party may terminate this MoU if either of the parties is frustrated by reasons beyond its control from going ahead with the implementation of the provision of this MoU. The provisions contained in Clauses 5 ("Intellectual Property Rights"), 6 ("Limitation of Liability") and 7 will survive any such termination.
2. Neither parties will make any presentations pertaining to the other or its business or affairs, without the express written consent and approval of other.
3. It is understood that during the course of this MoU it may be necessary for either party to disclose confidential/proprietary information to the other. The disclosure of any such information or data between the parties shall be made pursuant to an executed Confidentiality Agreement.
4. There shall be no liability on the part of any party to the other arising from the termination of this MoU.
5. This MoU is not binding on either of the parties hereto, except as specifically set out hereto. This MoU is intended to express the broad understanding of the parties and as a broad framework for working together on a specific opportunity as detailed herein.
6. The terms of the applicable software license agreements and terms relating to confidentiality under this MoU shall survive the term of the MoU.
7. Neither party may use the other's corporate name or any trade mark or name or any other items or assets protected by intellectual property rights, including but not restricted

to, use in any promotional material, press releases, advertisements, communications, stationery, web sites, or the like.

8. The Cloud training programs offered under the said MoU are for the specific purpose set forth in the MoU, namely for training the selected students at free of charge and for other students (paid training) of the **Mohamed Sathak Engineering college** Cloud Technologies, and for its commercial purposes.
9. Neither party will disclose the existence, or the terms and conditions, of this MoU or any information connected with it or any information received from the other or otherwise during the implementation of this MoU or its subsequent amendments, if any, except as may be required by law or on a strictly "need-to-know" basis for the purpose of implementing this MoU, or its subsequent amendments, if any, unless express prior written consent of the other party shall have been obtained in advance.
10. Save for their respective rights and obligations relating to Intellectual Property Rights (including the ownership of the Intellectual Property) as mentioned in Clause herein above, neither party is liable to the other for any damages or claims.
11. Unless previously consented to by both parties, there shall be no assignment of any interest under this MoU by any party hereto.
13. The laws of the Republic of India shall govern this MoU.
14. This MoU supersedes all proposals or other prior representations or communications, either oral or written.
15. All communication between the parties shall be in writing and in English Language....

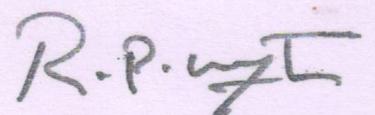

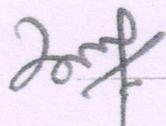

#### **FORCE MAJEURE**

No party shall be liable to the other if and to the extent, that the performance of any of its obligations under this agreement is prevented, restricted or interfered due to the circumstances beyond the reasonable control of such party including but not limited to Government Legislation, fire, flood, explosion, epidemics, accidents, Act of God, wars, riots, strikes, lockouts or other connected acts of workmen and act of Government.

#### **Summary**

Cloud Bull recognizes the significance of the **Mohamed Sathak Engineering college**'s initiative to be the leader in the field of IT related academia in the country. Cloud Bull proposes to make available the appropriate technology and expertise to develop **Mohamed Sathak Engineering college**'s position as a leading institute in the country providing high quality IT skilled resources.

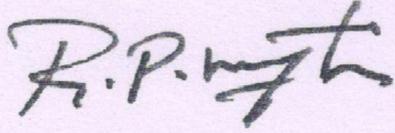

This Memorandum of Understanding is intended to express the broad understanding of the parties regarding their working with each other to the extent possible for their mutual benefit.

The Memorandum of Understanding is valid upto 27<sup>th</sup> September 2024. Either party may wish to continue the partnership after the validity expired upon signing a new Memorandum of Understanding.

## Confidentiality Notice

This document contains information confidential to CMS Info Systems Pvt. Ltd. which is provided for the sole purpose of permitting the Recipient to evaluate the information submitted herewith. In consideration of receipt of this document, the Recipient agrees to maintain such information in confidence and not to reproduce or otherwise disclose this information to any person outside the group not directly responsible for evaluation of its contents, except that there is no obligation to maintain the confidentiality of any information that was known to the Recipient prior to receipt of such information from CMS Info Systems Pvt. Ltd. or is received without obligation of confidentiality from a third party owing no obligation of confidentiality to CMS Info Systems Pvt. Ltd..

## About CMS Info Systems

CMS was founded in 1976 as the first Total Project Management (TPM) Company in the country. In December 2008, the Blackstone Group acquired a majority stake in the IT Infrastructure Management and Outsourced Business Services divisions (comprising card solutions, transaction printing solutions and ATM cash management) of CMS Computers, thus creating a new demerged entity named CMS Info Systems Pvt Ltd. Blackstone and the Grover family partnered with Rajiv Kaul, ex-CEO of Microsoft India and former Partner at Actis Capital, UK. Mr Kaul is now the Executive Vice Chairman & CEO of CMS Info Systems Pvt Ltd.

CMS Info is strongly focused on the domestic market and provides IT and Outsourced Business services to customers across verticals, with a nationwide network of over eight Regional Offices, 30 Support centers & more than 290 branches.

The company operates in 4 different business segments, namely, IT Services & System Integration, ATM & Cash Management (CMS Securitas), IT Training Institute (CMS Institute Systems Ltd) & Outsourcing of Print Solutions & Card Personalization.

**IT Business:** CMS has been among the top players in Managed IT Services, Third Party Maintenance and System Integration business in India for the last 31 years. It has strong partnerships with key principals in enterprise computing, networking, storage & security, peripherals & printing and enterprise software. CMS has more than 8,000 IT professionals across India providing IT services on ITIL guidelines.

**CMS Securitas:** This business was established to focus on Cash Management as its core business, and serves both developing and developed consumer financial markets. CMS is a market leader in the BFSI vertical for Cash Management Services, commanding 65% overall market share on volume basis with presence in top tier - I&II cities across India. It is the only company providing direct services to 22,000 ATMs across 1,750 locations with a dedicated team of 9,000 trained persons, handling more than Rs 3,00,000 crore of hard cash and valuables per annum.

years and a long-standing exclusive relationship with OCE. CMS is a market leader in the BFSI and telecom verticals. CMS set up Print shop Services in 1996 to offer end-to-end Printing, Post-Printing and Fulfillment services.

CMS also

- Serves major banks in India
- Supports many leading Insurance companies
- Provides 24x7 support to India's biggest CDMA Operator
- Undertakes end to end Telecom Projects
- Manages IT at some of India's largest Hotel Chains
- Supports Steel, Glass, Automotive plants
- Caters to the biggest Public Sector Enterprise including Refineries, Railways, Banks

CMS manages close to 300,000 desktops, over 66,000 servers, more than 600,000 LAN ports, over 150 terabytes of storage and handles close to 1 million helpdesk calls annually. CMS has penetration in more than 400 cities with more than 13,000 trained & dedicated staff.

### CMS Institute Profile

- As the Information Technology domain spreads its complex identity, it becomes mandatory for the budding systems integration & networking professional to have the right theoretical and practical exposure to technology. Academic qualification will surely take you, a budding IT professional, to the qualifying mark, but from there making the finishing line on a winning note is a fine combination of studying real life scenario with guidance from thoroughbred professionals who actually live technology.
- In a world where obsolescence is commonplace, CMS Institute's core competency lies in identifying your talent, understanding your aptitude, studying your needs and then nurturing you to reach the summit of technical excellence. CMS training opens exciting careers in technical support, facility management, projects, marketing, management & back-office operations relevant to hardware, systems integration & networking. CMS trained students have rocketed from junior executives to team leaders, project heads and management professionals.
- CMS Institute's profile can be briefly noted as follows:
  - ✓ Over 150 training centers
  - ✓ A large partner network for training
  - ✓ Over 500 employees & 200 certified trainers
  - ✓ More than 10,00,000 trained students
  - ✓ Over a 100 medium & large corporate clients
  - ✓ ISO Certified - Design & Development Centre
  - ✓ ISO Certified - 10 Centers & 8 Cities for Training

## Alliances & Recognitions

The passion involved in presenting industry relevant programs for better employability, customizing curriculum for knowledge & skill upgrade for corporate entities, soon drew the attention of global IT giants. Novell, Prometric, Microsoft, Oracle, SDI, IBM & Red Hat (not strictly in that order) came forward to associate with CMS Institute and deliver their certification oriented programs through our classrooms. CMS has constantly studying its relationship and its benefits to the end user, and ensuring that we continue to retain the strongest and best partners.

CMS' strategic alliances & their recognition of our services are summarized as follows:

- 2000: Novell grants the status of "Novell Education Academic Partner."
- 2003: ISO 9001:2000 certification - Education, Curriculum Design & Development.
- 2003: Red Hat grants the status of "Red Hat Training Partner."
- 2005: Microsoft grants the status of "Microsoft Certified Gold Partner."
- 2005-06: Red Hat awards "Best Certified Network Training Partner."
- 2006: Novell grants the status of "Training Services Gold Partner."
- 2006: Prometric grants the status of "Testing Partner".
- 2006-07: Red Hat awards "Largest Network Training Partner."
- 2007-08: Red Hat awards "Strategic Network Training Partner. "
- 2008: Service Desk Institute (SDI) grants the status of "Authorized Training Partner."
- 2008: IBM grants the status of "IBM Business Partner - CEIS status."
- 2008: Microsoft awards the "Learning Solutions Partner - Fastest Growth."
- 2008: Oracle grants the status of "Workforce Development Program Partner."
- 2008: Prometric's Gold and Silver Partner Award.

**SCOPE:**

- MSEC is committed to service in the community and applied learning experiences for its students. This is accomplished both through field education and service learning opportunities on campus.
- Field education and service learning involve the completion of internship assignments in the local community that tie meaningful learning experiences directly to course content.
- Through reflective activities, service, and field seminars, students enhance their understanding of course content, sense of civic responsibility, self-awareness, professional development and commitment to the community.

**CMS Info System Pvt Ltd:**

- As the Information Technology domain spreads its complex identity, it becomes mandatory for the budding systems integration & networking professional to have the right theoretical and practical exposure to technology.
- Academic qualification will surely take you, a budding IT professional, to the qualifying mark, but from there making the finishing line on a winning note is a fine combination of studying real life scenario with guidance from thoroughbred professionals who actually live technology.
- CMS Info System Pvt Ltd and MSEC recognize the opportunity for meaningful learning experiences for MSEC students. MSEC supports the goals and objectives of the CMS Info Systems program in which STUDENTS will participate.
- Placement Process: CMS Info Systems Pvt Ltd will arrange interview and will be informed to the students. Through interview Students were placed in their firm.

**Duration of Contract:**

MSEC and CMS Info Systems Pvt Ltd, Mutually agreed terms and responsibilities of MoU for 5 Years, duly Signed from October 2014 to October 2019

## Proposal for Institutional Training & Placement Support Program

### 1.1. General Information

Training Location / Venue	▶ At College
No. of Candidates / batch	▶ Minimum 100 students per batch
Training Schedules / Dates	▶ Sixteen Days, Six Hours/day (can be discussed for flexibility)
Training Duration per Day	▶ 6 hrs /day (can be discussed for flexibility)
Training Timing & Start Date	▶ To be decided after further discussions

### 1.2. Client Deliverables

PC's with required Software	▶ 1:2 PC per Participations, along with other IT & Non IT infrastructure required to deliver the course.
Projection facility	▶ High resolution LCD Projector
Technical IT infra Support	▶ IT infra compatible for Hardware & Networking
Staff Welfare	▶ Breakfast/Lunch/Tea and transportation to be provided by the college to the Trainers ▶ Boarding and lodging to be provided to the trainers

### 1.3. CMS Deliverables

Trainer	▶ Skilled Technical Professional
Courseware	▶ Direct course ware from RedHat
Certificate	▶ Participation Certification from RedHat

### 1.4. Program Details:

Course Content	Redhat Linux Administration
Duration (hours)	RedHat Linux - 96 Hours

### 1.5. Costing & Support

Costing, Min. 220 Students	<b>RedHat Linux Administration: Rs.5,500/ Student</b>
Taxes	➤ Inclusive of Service Tax 12.36%

### Memorandum of understanding

Between

CASABLANCA SHIPPING PVT.LTD.

(RPSL-MUM-394 VALID TILL 15 SEP 2018)

And

MOHAMED SATHAK ENGINEERING COLLEGE

(MARINE ENGINEERING DEPARTMENT)

This Memorandum of understanding (MOU) is entered into on 15th day of SEPTEMBER 2013 between Casablanca shipping Pvt. Ltd having their office at office no 22, captain building, 2nd floor 262, above shore Punjab hotel, fort, Mumbai-400001, represented by Mr. Vikas tripathi (Director) on behalf of Casablanca shipping pvt.ltd.

And

MOHAMED SATHAK ENGINEERING COLLEGE (MARINE) having their office at EAST COAST ROAD KILAKARAI 623806, RAMANATHAPURAM DIST, TAMILNADU Represented by DR.J.MOHAMED JAHABAR / PRINCIPAL

Purpose/scope:

The purpose of this collaboration is to ensure the placement of students that have completed their pre-sea training from MOHAMED SATHAK ENGINEERING COLLEGE (MARINE ) by Casablanca shipping Pvt. Ltd.

Casablanca shipping pvt.ltd will be responsible for placement of candidates on board in accordance to the criteria set out by both parties within the MOU.

Wherein ...Casablanca shipping pvt.ltd, Mumbai will be responsible for ensuring that all candidates will be given all training and documents needed for placement in accordance to rules set out by MMD.

The cadets will get a Salary of 30,000 INR Initially and they will have a Scope of giving Competency Exams in Mercantile Marine Department to sail as a Marine Engineering officer on-board ships.By Clearing Competency Exams the Cadets are Certified to sail as a Watch-keeping Engineer on-board ships.

Duration:

This Memorandum shall commence on 15TH SEPTEMBER 2013.... and continue for the period of Five Years till 15 TH SEPTEMBER 2018.

This memorandum may be terminated by either party giving the other party one month notice in writing.

Boarding and lodging:

If the candidates are required to come to Mumbai to submit documents or join the vessel, all boarding and lodging fee will be funded by the candidate itself.

## Procedure of placement of candidates:

- I. As per the policies and procedure of Casablanca shipping Pvt.Ltd, every student will be interviewed and all documents of selected students will be held by Casablanca shipping pvt.ltd.
- II. Once the candidates are confirmed (submitted their passport and cdc) we will actively look for a placement for the relevant candidates. Once confirmed for a particular vacancy there will be a cancellation fee of 25,000 INR if the candidates decide to withdraw their documents for any reason after the commencement of the visa process.
- III. Final payment will be taken only when candidate is joining, contracts, Visa copy and all other relevant documents will be handed over to the candidates at this time. All payment will have to be in cash and the DD amount of 25,000 INR should be drafter to Casablanca shipping Pvt.Ltd.
- IV. Placement of candidate will be within 30 days from the time the candidate submits his passport and CDC to Casablanca shipping pvt .ltd.
- V. If the candidate has to return due to the ship going into 'scrap' Casablanca shipping pvt.ltd. will take full responsibility for placing the candidate again and the only charge incurred by the candidate will be that of the airfares to rejoin another vessel.

## Fairness and Good Faith:

The Parties undertake to act in good faith with respect to each other's rights under this Agreement and to adopt all reasonable measures to ensure the realization of the objectives of this Agreement.

## Dispute Resolution:

The Parties agree to use their best efforts for resolving all Disputes arising under or in respect of this Agreement promptly, equitably and in good faith, and further agree to provide each other with reasonable access during normal business hours to all non-privileged records, information and data pertaining to any Dispute.
