Suggestion by the Academic Council Members:

1. Question paper pattern can be altered to bridge the gap between rural students and industries by setting multiple choice questions in Part C as problem solving the Aptitude type to meet Gate exam standards.
2. Advanced learners from Final year students can be used to guide and teach the slow learners.
3. Elective syllabus can be changed based on Industrial needs.
4. Methodology of Question paper setting and Examination Pattern can be adopted from reputed universities like NIT, IIT and CEG Anna University.
